But the page never redirects if I remove return false; code works fine. I need to redirect the page after the form is submitted. A: You are returning false from an asynchronous event handler and the form will not be sent. Try this: `$(document).ready(function () { $('#create_cas_form').on("submit", function (e) { e.preventDefault(); $.ajax({ url: "your_url", type: "post", data: $(this).serialize(), success: function (result) { window.location.href = "some other url";`
