presence, the impression of a hierarchical social structure. This action may induce the belief that rules apply and are enforced by those in the position of power and authority, and can cause the phenomenon known as compliance \[[@CR54]\]. In contrast, lower-order scales were more conceptually and statistically robust and allowed for a closer examination of the effect of individual safety climate on safety performance. A negative relationship between supervisor and team climate dimensions and safety performance was found in the four scales. These dimensions were positively related to each other. A possible explanation is that the domain of supervisor climate involves the recognition of

**The Chaos Elemental has arrived, and chaos has taken over the world I was really afraid because he turned bad halfway through. He was already a bad guy when I thought the alternate ending. I was really ready for an original story, but it's a remake. The story is okay, but the gameplay makes it hard for me to enjoy it. Ragnarr from Bay City, USA on October 27, 2016 Subject This is the story of Tarnished, the weakest point of the game. Tarnished starts off by getting screwed over in the alternate ending, and then the developers go on to focus on his story. Nadal Serves Kvitova a Mascot (VIDEO)  
Gennady 'Tin' Kvitova, the number 2 ranked women's tennis player, was on the receiving end of two aces by her hated rival, number 1 Rafael Nadal, who mocked her by calling her a 'mascot'. It was at the Shanghai Masters when the two exchanged thuggish treatment of each other with Kvitova receiving a poor service game and two aces from Nadal which he celebrated with a dance reminiscent of the famous wrestler Macho Man Randy Savage. At the same time, the crowd welcomed Nadal back to the court at the Shanghai Masters with another dance and loud 'welcome' chant. It was not clear whether it was Nadal's own choice that he danced, or whether he was just getting the crowd's approval or whether he wasn't conscious that the crowd was applauding the same thing he had just done against Kvitova.// +build!linux package archive
