[Download](#)

Since it's launch in May of 2012, both the Steam and iOS versions of BattleBlock Theater have attracted an incredible fan-base in the hundreds of thousands, including a plethora of awards and accolades. Since its initial launch, BattleBlock Theater has been featured in the New York Times, NPR, Rolling Stone, Vice, Mashable, Kotaku, Rock, Paper, Shotgun and many other publications. The iOS version also won the Best App with UI/UX at the 2014 Independent Games Festival. BattleBlock Theater features fully co-op gameplay where it's up to you to rescue your friends! There are currently over 450 unique levels in the game, more than Hatty can count on his finger and toes. There's also tons of unlockables and hidden secrets, and even more game add-ons such as the Level Editor and Facebook Friend Streams (on Steam). Play for FREE (so far)! Play for FREE on iOS CLICK HERE FOR FORAMTS: The official BattleBlock Theater twitter: Official Facebook: Official Website: Join the community on our official subreddit: BattleBlock Theater is the hit game from the developer that created the popular NickelodeonGame show, The Playground. Players will take on the role of a fearless Boov and battle their way through over 450 unique levels, challenge gates, spike pits, Piranha Plants and more that they'll have to conquer if they hope to bring freedom to their friends! Can you save all your friends and defeat the evil Gorg? After the tragic events of the Boov-Fell War, all the Boov have been banished from their homeland. As they wander the world, they discover many of the creatures from the outside world, known as "Poos" have been turned mean and hostile toward Boov. The Boov
