Elden Ring Features Key:

Play a Fantasy Roleplaying Game in an Imaginary World Exploring the vast world, a roleplaying game in a multimedia world.
Customize your Fighting Style and Weaponry Even in PvP, you can have your character's fighting style and weapons as you please.
Produce a Strange World in a Video Game By freely combining the skills and abilities you gain through leveling up, using items and equipment, and producing special effects with magic, you can decide for yourself what kind of world you wish to have.
An Action-Packed Online Game An action-packed online game that lets you connect with players around the world and experience an online drama, in the same way one might experience a drama in real life.

EDEN RING: We've got questions...

Elden Ring, are you certain it was just to leave those mortals alone?

Elden Ring Download [Mac/Win]

• Redefined Action RPG In The Elder Scrolls Online, join TES5: The Elder Scrolls Online for the first time with our new fantasy action RPG, TES5: The Elder Scrolls Online—Defense of Cyrodiil™! Download the new Dimensional Guardian Viewer to create your own player-made map and explore a vast world of Cyrodiil completely free of charge! The new fantasy action RPG will let you experience the mood and thrill of classic fantasy role-playing games while experiencing a deeper storyline. In the Online Elements area, you can also connect with other players through asynchronous communication and the quest system and take on Raids, Instanced PvP encounters, Dungeons, and more. Online Elements ADVANCED PLAYER CHAT System The new Advanced Player Chat feature in TES5: The Elder Scrolls Online—Defense of Cyrodiil™ features powerful tools that allow players to communicate in real time during a battle, such as chat highlights, direct combat voice lines, and more. Advanced Player Chat also introduces the new in-combat chat features, allowing you to more easily communicate with other players while battling, and allowing you to see other players' chat as it unfolds during combat. In addition, you can use the new AI-driven combat voice lines to direct your team and tell important details of the battle, such as special abilities, buffs, debuffs, and other tactical information. QUEST SYSTEM Character Creation 1. Select your race: Human, Orc, Argonian or Bosmer. 2. Select your class. Classes available: Warrior, Mage, Cleric and a host of others. 3. Select your gender. Male, Female or Custom. 4. Select your starting level. 10 (Level 1) 20 (Level 20) or 30 (Level 30). 5. Select your Race Traits. Select the Trait you desire. 6. Select your Class Traits.
