===== cataclysm For those  
interested in the MO's TechComm  
program, there are a few events  
happening this week, according to the  
TechComm student directory. [ of-

how much this is for educational  
purposes, or if it's a well- articulated  
idea for financial gain, but I'd love to  
see more of these initiatives pop up in  
Toronto. ~~~ RobertRoberts Toronto  
has an abundance of TechComs and

I've got absolutely no idea what this discussion is about. AFAICT, this just appears to be a site that has a bunch of links to other sites. But... here's a link to a PDF describing the Startup Queries and TechComm initiative: [ [TechComm-R...](#)]([Report.pdf](#)) Why is this submission to HN? I mean, if somebody intended this as a discussion, and they're writing because they have questions... I could answer those. But the content here is so thin that it's hard to even figure out what the point of the discussion is even supposed to be. All I see is "Hey, this is useful stuff that may be of interest to HN d0c515b9f4"
