Dive into the world of Elden Ring! Have your friends and fellow adventurers join your throngs, and start creating your own character, fighting monsters, engaging in exciting guild wars, and engaging in rich story-driven battles. You can freely enjoy an immensely amazing RPG world! Earn valuable EXP and items by participating in battles, controlling your guilds and your armies, and completing quests. All of this can be achieved through a highly dynamic strategy and system of multiple companies involving players that work together and split fighting tasks. And, of course, along the way, you and your fellow adventurers will have the opportunity to test your martial arts and magical skills against overpowered monsters and fill your hearts with pride.

Many kinds of things await you in Elden Ring. The main story is interlinked with numerous sidequests, and players will have the chance to make friends with other players through server-side LÚCision. In addition, through a strong communication system in which users can record their own dialog, scene and dialogue data, you can create your own data and share your creation with the other users!

Furthermore, similar to other major games, this game also has a rich system of equipment
