Advantages and Disadvantages of Living in Big Cities People like to live in cities but it's not the city itself that they like to live in, it is where they live in the city that they like. It may be because they live in a house and not a little apartment. It may be because they live in a high rise and not in a 3-story house. It may be because the people in the city where they live are more educated and have an advanced career. Cities are large places where a lot of people live and are going to be more educated and have a higher-paying job. This is where the students live. The students may see some advantages to living in a big city, and some disadvantages. 1. Finances The expenses of living in a big city are a lot of money.
