Carpenter - A Retrospective of John Carpenter's Top
10 Albums If there was one signature sound in John
Carpenter's work (apart from his iconic slasher
movies), it would be his synth soundtrack, starting
in the 1980's with Escape from New York and
ending with his two final albums released in 2001:
Lost Themes and Lost Themes II. By his final
albums, Carpenter had switched from just synth
music to a more diverse range of soundtracks from
horror to comedy, and of course one could argue a
real influence from Carpenter's work on music was
the success of the 80's synth music scene in the
USA. For the purposes of this article, I'm going to go
through and discuss each of Carpenter's albums

and their distinct soundtracks, and I will end with a
