The Vampire Diaries Full Movie In Hindi 140

the person who really knows katherine's story is j.j. abrams. the producer is known for being the master manipulator: pretty little liars, alias, fringe, lost, and now, the vampire diaries. and as far as i'm concerned, all the best mysteries are unsolved, which is exactly why this finale was such a dream. i could spend all day talking about all the things that were left unanswered, but i'm not going to. there's plenty of time for that when the show comes back in 2016, which is a more fitting resolution for the finale. this is a dream come true. and i've already downloaded season 9. the action starts with bonnie's collapse. stefan's trying cpr to resuscitate her, but it's not working. and when caroline's vampire blood doesn't work either, we flash to the woods, where bonnie's wandering when she sees elena lying in what looks like a very comfortable bed. elena, excited to see her best friend, hugs bonnie before realizing what this means: if bonnie's here, that means bonnie is dead, and that's not okay with elena. bonnie was supposed to live a full life and grow old, but as bonnie tells elena, i can be with enzo now i'm ready. this isn't a show for everyone. but if you're a fan of mystery, romance, and scary stories, it's not to be missed. the vampire diaries is the answer to all of your supernatural problems. and if you're looking for an amazing, gothic, and romantic story of love, loss, and redemption, it's impossible to beat the vampire diaries. while i didn't love the finale as much as some people, i did love it. and i really can't wait for the final season to start in 2016. 5ec8ef588b
